MAEA Conference
December 3rd, 2021

Join us for Maine Adult Education Association's Virtual Conference on December 3, 2021 from 8:30 - 4:00. This year will showcase a new format that is centered on critical thinking for educators and other professionals around some big themes like seeing ourselves in the history of Maine and using that knowledge to become better at our jobs, knowing why and how education can save lives, educating and understanding marginalized populations in need and sharing information to promote democracy. Many vendors will present at lunch and all sessions will be recorded and available to those who register for one year. Cost is $50 per person or $40 for MAEA members. Registration information can be found at https://maineadulted.org/registration-2021/

MAEA Advocacy Update

MAEA was very busy during the legislative session, so busy that Adult Education turned up in three places in LD 1733, the state’s response to the American Rescue Plan funding! Check out Section L, Section M and Section LL. MAEA is now working with state leaders to define funding pathways. The full text of LD 1733 and other information can be found at https://maineadulted.org/legislative-2/

Feeling Burnout this fall?

Here are a couple of articles to help you identify and combat burnout..
https://www.webmd.com/mental-health/burnout-symptoms-signs
https://www.psychologytoday.com/us/blog/high-octane-women/201311/the-tell-tale-signs-burnout-do-you-have-them

October is...
National Pizza Month
Breast Cancer Awareness Month
National Domestic Violence Awareness Month

How is your program celebrating?
