SACOPEE VALLEY FIVE TOWNS, ONE COMMUNITY

MISSION STATEMENT

Sacopee Valley Adult and Community Education's (SVACE) mission is to provide a safe, mutually respectful, and collegial learning environment for students who seek an alternative to the traditional school system and to assist other adults in our community in their pursuit of lifelong learning.

CHANGES AND CANCELLATIONS

Please register for all courses promptly. Courses with insufficient enrollment are canceled prior to the first class meeting. Some courses have specific registration deadlines as noted in the course description. Other courses fill up quite quickly. In this case, registrants will be contacted by email or phone, placed on a waiting list if desired, and reimbursed if needed. Preregistration is also necessary for free courses for the reasons listed above. SVACE reserves the right to cancel or reschedule classes, move locations, and/or change instructors as necessary.

STORMS AND CLOSINGS

If MSAD #55 schools are canceled for any reason, adult education classes are canceled as well. Generally, adult education courses are also canceled if after-school activities are canceled. If there are any exceptions, we will contact specific learners as needed. MSAD #55 weather cancellations are on television channels 6 (wssh6.com/closings), 8 (wmtw.com/weather/closings), and 13 (wgme.com/weather/closings). If possible, you may also get an email regarding a specific course.

REFUNDS

Due to planning and preparation needs of our instructors and staff, notification of withdrawal for full refund or course credit is required a week or more in advance. There are no refunds after a course has started except in special circumstances.
